Dear Patient,

Your dentist is taking part in a study about preventing oral cancer. You are being asked to fill out the other side of this card to help us learn more about what happens during a dental visit.

Answering the questions is voluntary and all your answers will be kept confidential. Nobody from the dental office will see your answers.

We will be contacting some patients from this practice for a brief phone survey. If you are willing to be called, please give us your name and phone number.

For taking part in the phone survey you will be mailed a \$10 gift card.

If you decide not to give us your name, we hope you will still answer the questions on this card.

For questions about this project, please call  
Andrea Hand Mathews: 205-934-2578

THANK YOU FOR HELPING US! ☺

**As you leave, please place your completed card in the survey box.**
